BAILEY

Proud to support

Welcome

To the 49th Henham Steam & Country Show.
Like many of you, the next two days are my favourite of the year. Though it often brings a lot of stress and worry in the build-up over the year, all is forgotten when you see everyone's happy faces stood around the showground. I'm sure this year will be the same. As always, the team of volunteers have been working hard putting together another great show.
Over the next two days we have our ever popular "Public Steering", along with welcoming Stannage Stunt Team in the Len Murray arena. In the Parade Ring we will have demonstrations of the amazing work carried out by SARS in the local arena, along with all the exhibition parades over the two days. Don't forget we also have a jam-packed band stand and loads going on in the kids' corner.
This year we will have 200 children attending the educational day on the Friday before the show, we do like to put pressure on ourselves with a bit more work! It's a great day to welcome some great stands who widen the children's knowledge, from steam engines to rope making to farm to fork.
I wish you all a fantastic show and hope you make lots of memories over the next two days.
I'd like to take the opportunity to THANK all our wonderful volunteers for all the work they do throughout the year and over the weekend.
Fingers crossed the weather is kind to us all and we have another successful show in 2025.
I look forward to seeing you next year to celebrate our 50th Henham Steam & Country Show.

ENTERTAINMENT AND ATTRACTIONS

THE STANNAGE STUNT TEAM

Established by Mark Stannage in the year 2000 the Stannage Stunt Team brings excitement to audiences of all ages.
Following in his father's footsteps – current team manager – Aaron Stannage started his professional career in 1998 at the tender age of 3.
Now with over 24 years experience and specializing in car, motorbike, fire and high fall stunts, Aaron has performed some of the most spectacular stunts ever seen on film or TV.
Aaron and his team of stunt performers will perform their spectacular show which includes:

- Highfalls
- High Falls on Fire
- Motorbike Stunts
- Quad Stunts
- Ramp Jumping
- Car Jumps
- Fire Stunts
- Explosions
- Wheelies
- Trick Riding
- Holders of three Guinness World Records

This world record breaking stunt team have performed their shows all over Europe and the Middle East, recently returning from the Muscat Festival in Oman and the GT festival in Bahrain. These shows will generate great excitement and is a great crowd puller so don't miss this opportunity to see some of the UK's top stuntmen.

SUFFOLK SWORDS

Are a 15th-century medieval combat reenactment group based in the historic town of Ipswich and have members from all over East Anglia.
We have taken part in a large number of national reenactment battles, local country shows, and other events where armoured medieval knights are needed for combat displays. Our living history encampment at events includes activities such as arming the knight, armoured combat, archery, and cooking.
Join us and experience the thrill of medieval combat!

ENTERTAINMENT AND ATTRACTIONS (CONTINUED)

PUBLIC STEERING

By popular demand, public steering is taking place again this year, steer one of our steam engines around the Len Murray Arena and find out what it takes to manoeuvre one of these incredible machines. Public steering will take place on both days in the Len Murray Arena – there is no charge for this experience however a donation to our charity is appreciated.

THE LOWESTOFT DOG AGILITY DISPLAY TEAM

Are the longest established dog agility display team in the country. Entertaining crowds for over 60 years, the team travels to events large and small mainly all over Norfolk & Suffolk. They have a wide range of different breeds whose objective is to bring smiles to faces young & old. With full commentary, a display consists of action packed races, tricks, flyball & much, much more and don't miss the incredible fire jump finale!

The Lowestoft Dog Agility Display Team

The UK's Longest Established Dog Display Team

Entertaining Crowds for over 60 Years

WILL'S WORKING SPANIELS

Starting with one dog, Will shows how he trains for the shooting field, then increasing the number of dogs to three or even six dogs showing how he trains and works the dogs on a shoot. He will end up with them all out in the ring. When on the static stand you can see all the dogs and ask Will any dog related questions, and he will try to answer them.

SUFFOLK ACCIDENT RESCUE SERVICE (SARS)

Watch as emergency services demonstrate how they work together at the scene of a road traffic collision (RTC). You will have the chance to get up close to the scene and speak with the responders as well as learning life saving skills including CPR.

ENTERTAINMENT AND ATTRACTIONS (CONTINUED)

EAST ANGLIAN HEAVY HORSE DISPLAY TEAM

Our display team features an array of breeds, including the four great British heavy breeds: the majestic Clydesdale, the impressive Shire, the sturdy Suffolk Punch, and the elegant Percheron. We are also fortunate to have one of the esteemed foreign draft breeds, the powerful Belgian draft horse, within our team.

The performances by our team are a blend of serious and fun elements, providing a fascinating glimpse into the historical and contemporary uses of these marvellous animals. Our ultimate aim is to keep these great horses in the public eye for many years to come, and in doing so, we hope to inspire more people to get involved and perhaps even consider owning a heavy horse of their own.

Don't miss the chance to witness our spectacular displays! We will be in the ring twice a day, ready to captivate and entertain audiences with the sheer strength and grace of our heavy horses. Come and join us for an unforgettable experience!

BLYTH VALLEY ROTARY

Rotary International was founded in 1905 in Chicago and it has grown into a worldwide organisation with over 1.4 million members in 162 countries. Over the years Rotary International has provided humanitarian aid for crisis-stricken countries, given $356 million for 32,000 scholarship grants, provided $76 million for humanitarian projects and has spear-headed the Polio Plus programme by raising over $500 million to eradicate Polio. It has recently helped in the Turkey/Syria earthquake disaster.

Blyth Valley Rotary is part of Rotary International and was formed in 1960 and currently has 35 members from all professions and walks of life but who all have one thing in common, a passion for helping their community. We cover towns and villages in the Blyth Valley including Halesworth, Wrentham, Wangford, Reydon, Walberswick, Blythburgh and Southwold. We have supported many international, national, and local charities in the past and completed several service projects.

Examples of our current events include the Christmas Day swim on Southwold Beach, Brass on the Grass, Starlight Walk, dictionaries for local primary schools and of course we are pleased to be associated with The Henham Steam and Country Show. Last year's show enabled us to support many local charities. New for 2025 is our involvement in the Covehithe Plough Day. It's not all work though. We also enjoy many social events and make sure we find time to have fun.

Like any organisation we can do nothing without our members. The more members we have the more we can do. If Rotary and what we do is something you might be interested in, then please get in touch using the contact details on our website at www.blythvalleyrotary.co.uk or email us at info@blythvalleyrotary.co.uk, We look forward to hearing from you.

WANGFORD AND DISTRICT COMMUNITY COUNCIL

THE COUNCIL, one of the three founder organisations of the original Grand Henham Steam Rally, is a charity which raises funds principally to run Wangford Community Centre, but which also supports good causes within the villages of Wangford, Henham, Sotherton and Uggeshall.

It began life in 1971 as a steering committee to explore a way of replacing all the diverse and rather elderly meeting places around Wangford, and grew into a properly constituted, far-sighted body which, through indefatigable fundraising, built the first phase of the Community Centre in 1974. A Bar and Snooker Hall were added as funds permitted and were constructed almost entirely by volunteer labour. The Centre's Golden Anniversary was celebrated this June.

The Centre currently hosts a diverse range of local clubs and societies and the Wangford defibrillator is also located there. Over the years, the generous donations from the Steam Rally have funded a regular programme of modernisation, maintenance and refurbishment, making the Centre a popular venue for private hirers.

The Community Council also operates a Service Fund, offering financial assistance anonymously to residents in need, and makes grants to other organisations and individuals within the area of benefit as required.

Volunteers from Wangford Church, the Community Council and the four villages can be found in the Village Pantry in the white marquee opposite the Len Murray ring, serving freshly made sandwiches and rolls, as well as a good selection of cakes (including gluten-free) and hot and cold drinks. They also run the adjacent popular Hot-Dog and Burger stall.

We are proud to be a part of the 49th event and look forward to welcoming you.

We look forward to hearing from you.

THE PARISH CHURCHES of WANGFORD, UGGESHALL and SOTHERTON

Since its very beginnings, the Grand Henham Steam Rally (as it was then) has had very close links with the local churches that serve this area of Suffolk.

It was the desire of the 4th Earl of Stradbroke back in 1975 that proceeds from the Rally should, as well as supporting other charities and community groups, also help the local churches - whose work is to serve the people of the local villages. For this reason, the parish churches of Sotherton, Uggeshall and Wangford-cum-Henham (the three parishes closest to the Rally's home at Henham Park) all benefit from donations from the annual show.

As well as providing places of solace, peace and reflection within their buildings, the local churches remain one of the main providers of pastoral care in the villages they serve, ensuring practical care and support for families of all faiths and none 'from the cradle to the grave.'

We remain immensely grateful for our partnership with the Henham Steam and Country Show and the dedication of the volunteers who make the event happen each year.

Revd Russ Gant
Team Rector – Sole Bay Churches

SOLE BAY CHURCHES

In addition to our regular beneficiaries, the show committee nominates a different charity to support each year.
This year, we've chosen three!

HEMSBY LIFEBOAT and INSHORE RESCUE SERVICE

Hemsby Lifeboat and Hemsby Inshore Rescue Service is an independent voluntary lifeboat service, saving lives at sea and on the Broads. Operating two lifeboats from Hemsby Lifeboat Station on the Norfolk coast, the service is separate from the RNLI and relies solely on public donations to fund their work. The volunteers are on call all day and every day to help people in distress.

THE HALESWORTH DEMENTIA CARERS FUND

The Halesworth Dementia Carers Fund (HDCF) is honoured to be one of the chosen charities at this year's Henham Steam and Country Show. Our mission is simple but vital: to support local people caring for loved ones living with dementia.

HDCF provides a lifeline through a range of daily groups and activities that offer both stimulation for those with dementia and a chance for carers to connect, relax, and recharge.

From music and movement sessions to, memory cafes, and gentle exercise groups, our welcoming spaces foster friendship, understanding, and support. We also fund respite care, these breaks can be life-changing, helping carers to sustain their strength and wellbeing.

Every penny we raise goes directly to supporting families in Halesworth and the surrounding villages. We work closely with local healthcare teams to reach those most in need and respond quickly with practical, compassionate help.

Thank you for supporting HDCF. Together, we're making a real and lasting difference in our community.

APOLLO YOUTH CENTRE

The Apollo Youth Centre was originally built in the 1960s, were maintained by Suffolk County Council and were run by full time paid youth workers. In 2009 Suffolk County Council decided to close all the youth centres due to financial cutbacks. A management group was set up to control the finances. The part time youth workers all agreed to continue working on a voluntary basis.

in 2014 a Charitable Incorporated Organisation was set up and Trustees were appointed.

The Youth Centre is open 2 nights a week. The average attendance is 70 members per week ageing from 7- to 18-year-olds with different nights for different age groups. Our aim is to provide informal education and this is achieved by various activities such as arts and crafts, cooking, sport and informal discussion groups.

The Apollo Youth Centre is a safe place for the young people of Halesworth where they can be themselves, discuss their worries and concerns, obtain information and learn to communicate with other young people and adults. The members are constantly learning and developing new skills.

This year we have handed out more than 100 items to young people within our area.

We were also able to assist " Thirst Youth " of Beccles with some Hot Water Bottles.

In 2025, we are hoping to be able to provide Christmas Blankets but we have already been advised that funding would not be made available again for the same type of project.

Any amount of funding would be appreciated and would be " Ring Fenced" for the above project

CONDITIONS

The traction engines vehicles and machinery on display can be dangerous to the public, particularly when moving. Admission to the rally is on condition that any person or persons admitted agree and undertake to absolve and hold harmless the promoters, other and organisers of the Rally and every other person taking part in or connected with the management or conduct of the Rally from all liability for any injury to person or damage to property howsoever caused.
No claims will be accepted by the aforementioned persons for such loss, damage or injury howsoever caused.
Any person or persons admitted are required to take all reasonable precautions to ensure their own safety at all times and particularly when in proximity to any moving vehicle or operating machinery.
All exhibitors and members of the public are required to act on the instructions of the stewards or other officials where and when required.
Any persons selling or offering for sale any article in any manner whatsoever without written permission of the committee will be removed from the Site without redress.
The committee reserve the right to refuse admission to the Rally or any part of the Site.

NOTICE TO ALL DRIVERS/OWNERS AND EXHIBITORS

Please note that under the provisions of the Road Traffic Act 1968 as amended by the Road Traffic Act 1991, the Rally ground is treated as being the same as a public highway and the same requirements for insurance, Driving Licenses and/or Road Fund Licenses apply. Please ensure that you bring the appropriate documents with you to the Rally and be prepared to show them to the Rally Stewards/Officials on demand.

Any driver not driving their vehicle in full accordance with the Road Traffic Act could find themselves being held to be liable, by the investigating authorities, for any accident causing injury to persons or damage to property.

NATIONAL TRACTION ENGINE TRUST

The NTET's official motto is 'Preserving Our Heritage with Steam on the Road'. An everyday translation is 'Taking History Forward, safely'.
Formerly established in 1954 as the National Traction Club, the now National Traction Engine Trust has over 3,500 members consisting of owners, enthusiasts and event organisers of all ages and gender in over 20 countries Worldwide.
The NTET is held in high esteem for its work relating to driver training, event safety seminars, technical support to owners and event organisers and for its Steam Apprentice Club
The NTET acts as the umbrella organisation for the Steam Traction movement with affiliations held by over 30 organisations in the UK and Worldwide including the Road Locomotive Society, the Road Roller Association and many regional Clubs and Associations.
To ensure that road steam has a voice in the affairs of government the NTET is affiliated to the Federation of British Historic Vehicle Clubs.
World-wide membership is active in Ireland, Switzerland, Germany, France, Sweden, the Netherlands, Australia, New Zealand, Canada and the USA. The signs are that interest in membership is growing in many other countries also.
Some 2,000 engines are in use both in the UK and overseas. Our membership is made up of individual members and affiliated clubs from throughout the world. There is a very lively rally scene where enthusiasts can see the engines at work.
The NTET is an authorising body assisting in the safe running of most of these events.
The NTET needs new members, to help with the continuation of our work to make sure part of our national heritage, the road steam vehicle, remains for future generations, people like you with an interest in the preservation of road going steam vehicles to help us with the continuing struggle against legislation, the need for safety training and the production of the various codes of practice. will help the continuation of our work to make sure part of our national heritage, the road steam vehicle, remains for future generations.
Individual or affiliated group/club membership is available. For more details please contact :-
NTET Membership Secretary, c/o Lynden Lea, Lydham, Bishops Castle, Shropshire, SY9 5HB
